

**EESTI PANK**

**Monetary Developments &  
Policy Survey**

**September 2004**

Monetary Developments & Policy Survey by Eesti Pank is a publication published four times a year. The survey is not directly an analysis of the quarterly changes; therefore, each issue refers to the time the analysis was completed and not to the period it handles.

Publications of Eesti Pank are available at the web site: <http://www.bankofestonia.info>
