

Rules and regulations for the design competition for the collector coin dedicated to the 200th anniversary of the birth of Johann Voldemar Jannsen

1. Purpose of the design competition

- 1.1 To mark the 200th anniversary of the birth of Johann Voldemar Jannsen Eesti Pank is announcing a public design competition to find a design for a silver collector coin.
- 1.2 The coin that will be minted will be a portrait coin with a low-relief surface.

2. Technical specifications of the coin design

- 2.1. The specifications for the coin are attached in Appendix 1 of these rules and regulations.
- 2.2. The requirements for the submission of designs are:
 - 1) the design must be submitted in black and white, and if necessary as a colour printing version, on a sheet of A4 showing the upper and lower surfaces in the scales of 1:1 and 1:4;
 - 2) if the design uses reflective surfaces or matt areas, these should be shown separately;
 - 3) the design must show both the obverse and the reverse;
 - 4) the obverse of the coin must bear the great coat of arms of Estonia, the words "Eesti Vabariik" and the year 2019;
 - 5) the reverse of the coin must show the nominal value of the coin with the symbol for the euro 12 € (see Appendix 2 Specification for the Euro Symbol), and must show a portrait of Johann Voldemar Jannsen or a part of a portrait;
 - 6) letters and numbers must be at least 2 mm in size;

- 7) in addition to the black and white designs, coloured designs and three-dimensional drawings to the same scales may be submitted;
- 8) instead of the design drawing, a physical model of the obverse and reverse of the coin in the scale 4 : 1 may be submitted, which should clearly show separately the reflective surfaces and matt areas if they are used in the design.

3. General terms and conditions of the competition

- 3.1. Any person wishing to participate in the design competition may do so individually or in a group.
- 3.2. Designers may submit one or more designs for the coin. Variations on a single design are not considered separate designs.
- 3.3. The deadline for the submission of designs is 25 May 2018 at 12.00. Designs submitted after the deadline will not be entered in the competition.
- 3.4. Designs should be submitted by the deadline to: Mündižürii, Eesti Pank, Estonia pst 13, 15095 Tallinn.
- 3.5. Each design should be accompanied by a separate page giving a keyword for the design. Multiple designs should each have separate keywords. Each design must be accompanied by a sealed envelope containing the designer's details: name, address, telephone number and email address, and the registry number if the designer is a FIE. The sealed envelope may only be marked with the same keyword as the design.
- 3.6. Participants in the competition must confirm that the design submitted is an original work and does not breach the intellectual property rights of any other party.
- 3.7. The winner of the coin design competition will be paid 2000 (two thousand) euros as a prize within ten calendar days after the commemorative coins have been minted and issued. The designer of the second-placed design will get 700 (seven hundred) euros and the designer of the third-placed design will get 500 (five hundred) euros ten calendar days after signing the contract detailed in point 3.9.
- 3.8. All legally required taxes and payments will be deducted by Eesti Pank from the amounts listed in point 3.7.

- 3.9. The payments other than that to the winner will be made to the designers after the designer or group of designers has signed a contract granting all the proprietary rights of the design to Eesti Pank, giving exclusive permission to exercise the licensed personal proprietary rights of the designer insofar as this is necessary for the minting of the coin and making related products, and granting Eesti Pank the right to transfer the rights so acquired to third parties with limit of time or location. The contract will be signed once the results of the competition have been announced.
- 3.10. The panel judging the competition has the right to propose additions to the winning design or changes to its proportions and composition.
- 3.11. The minter of the coin has the right to propose additions to the winning design or changes to its proportions, if the technical requirements of minting make it necessary.
- 3.12. Eesti Pank has the right to change the nominal value of the design.
- 3.13. The winning designer or group of designers will make the changes to the design proposed by the panel or the minter, or Eesti Pank in the case of the nominal value, for no additional fee and will then present the amended design to Eesti Pank within ten calendar days of receiving the proposal for changes.
- 3.14. If the winning designer or group of designers does not immediately make the changes proposed by the panel or the minter to the design or by Eesti Pank to the nominal value for any reason, and refuses to grant Eesti Pank or a third party nominated by Eesti Pank the right to make such changes, then Eesti Pank will have the right to mint the coin using the second-placed design in the competition and the winning designer will not receive any payment and no contract will be signed with them.
- 3.15. The winning designer or group of designers will make or have made a plaster or other three-dimensional model of the coin for minting within 14 (fourteen) calendar days of signing the contract detailed in point 3.9.
- 3.16. The recommended diameter of the plaster model is 200mm, the maximum thickness is 2.5mm, and the minimum is 0.4mm. The outside edge of the model must be marked with a fine line and the portrait or partial portrait must be shown in the place indicated in the scale drawing. The height of narrower design elements such as ornamental lines should be calculated as $0.2 \times$ the width of the element. The angle of the relief must be greater than 30° ;

Where needed, the winning designer or group of designers will consult Eesti Pank during the preparations for minting and visit the mint to assess the various stages of the preparations.

- 3.17. The winning designer or group of designers will sign a service contract for preparing the plaster model or the plaster and 3D models and for visiting the mint. Eesti Pank will pay up to 1200 (one thousand two hundred) euros of costs for making the plaster or other three-dimensional model, against documentary proof of expenses. If the designer or group of designers needs to visit the minter, Eesti Pank will pay the travel and accommodation costs.
- 3.18. All the costs of participating in the design competition will be covered by the participants.
- 3.19. Designs submitted for the competition will not be returned.
- 3.20. Eesti Pank will publish the winning design and the names of the designers of the second and third-placed designs.
- 3.21. Participants submitting designs to the competition are considered to have accepted the conditions for entry of the competition.

4. Assessment of the designs submitted to the design competition

- 4.1. The designs and whether they conform with the rules is assessed by a panel convened by Eesti Pank.
- 4.2. Designs that do not conform to the terms and conditions of the design competition will be neither considered nor assessed.
- 4.3. The panel is entitled to declare that none of the submitted designs has won the competition and to declare the competition unsuccessful.
- 4.4. The three best designs chosen by the panel from among those submitted to the competition will be sent with proposals by the panel to the Supervisory Board of Eesti Pank to confirm the design of the coin.
- 4.5. The results of the competition will be announced by 28 June 2018 at the latest.
